Contest
10-16 Schedules
Aug. 15 to Sept. 5

Katharine Hepburn and Paul Scofield, Lawrence Olivier and Joan Plowright, Topol, Zero Mostel and dozens of other stage and screen stars will be coming into Home Box Office viewers' homes in much applauded film adaptations of literary, dramatic and musical theatre masterpieces.

Thirteen films, described by New York Times television columnist Les Brown as "the first significant acquisition of exclusive programming by the pay channels of cable TV", will start on HBO next March. The masterpiece motion pictures will be an addition to HBO's usual films, sports and special programs.

Titles include "A Delicate Balance", "Butley", "The Iceman Cometh", "Lost in the Stars", "The Three Sisters", "Rhinoceros", "Galileo", "Luther" and "Jacques Brel Is Alive and Well and Living in Paris".

The films were produced for American Film Theatre subscription showings in a few movie houses. Some are having limited additional theatre runs, but all will be getting first television exposure on HBO.

World Football League—The WFL is back for its second season, bolstered by former National Football League stars Larry Csonka, Paul Warfield and Jim Kiick and one of the most prized collegiate draftees, Anthony Davis of Southern California.

HBO will spice its summer and fall sports schedule with WFL games, beginning Aug. 9 with Memphis . . . (Csonka, Warfield, Kiick & Co.) vs. the Charlotte Hornets.

Hopalong, Too—This month and next, HBO has special showings of early, original mid-1930s Hopalong Cassidy features—the ones older viewers used to see at Saturday movie matinees. Early starting times enable today's youngsters to share what turned on Mom and Pop and Grandma and Grandpa when they were kids.

Also notable: "Reflections on America", short award-winners by major American film makers—folklore, history, contemporary themes featuring Orson Welles, John Carradine, Roberta Flack and other performers or narrators.

SCHEDULE 1-3

Note to Subscribers:

Home Box Office adheres to its published schedule as closely as possible. From time to time, however, circumstances beyond its control or an opportunity to offer programs of greater interest may require substitutions. When this occurs, advance notice is provided as far ahead of the schedule change as possible.

Win a Fabulous, Weeklong Vacation for Two at **CANEEL BAY/LITTLE DIX BAY** in the Glorious Virgin Islands

Anyone who enters HBO's Movie Memory Contest Can Win!

We'll fly the Grand Prize Winner to the best of all possible weeks...in the best of all possible settings: Rockresorts' two jewel-like havens in the Virgin Islands, Caneel Bay/Little Dix Bay. They're famous for their sports facilities...famous for their sun-drenched beauty...and so romantic by moonlight that we'll pay the freight for two. All expenses, all week long!

Time's awasting. Start Right Now!

Check this Program Guide for Clue times. We'll be showing them frequently until August 15th. Once you've named the movies in our clues, fill out the entry form at right and mail it before August 22. You could be the lucky winner of a glorious vacation you'll remember your whole life long.

32 Second Prize Winners Will Walk Off with These Handsome Panasonic Portable TV's

"Take it to the summer cottage or out on the patio. Move it from room to room at will. It's an easy-to-tote 19 pounds...with a wonderfully clear and dependable picture on a 12" screen. Now you'll have TV entertainment wherever you want it...and you'll never again have to quarrel over which one program the family will watch."

HERE'S HOW TO PLAY "MOVIE MEMORY"—AND WIN

1. Look for this symbol in the margins of this Program Guide. It marks the times we'll be showing MOVIE MEMORY CLUES. Each clue is a scene from a movie you can see on HBO. There are two clues to each movie; six movies in all. And we'll show all clues several times through August 15th.
2. When you know the names of the movies, list them on the entry blank below. Then mail the form to us before August 22.
3. Every entry which correctly identifies all six movies qualifies for the prize drawings. The names of the 32 Second Prize Winners will be drawn on four successive nights—eight winners to each drawing. On the fifth night, we'll draw the name of the Grand Prize Winner. You'll want to watch the drawings, but all winners will also be notified by mail.
4. Winners of Second Prizes will have their entries returned to the pool before the final drawing—so that they, too, can qualify as a First Prize winner (if you're that lucky, you deserve it).
5. This contest is limited to residents of States in which HBO service is provided. Contestants must be over the age of 21 and not employed by or affiliated with Home Box Office Inc., Time Incorporated or any of their subsidiaries or advertising agencies or carrier cable systems affiliated with Home Box Office, Inc.
6. No substitution may be made for prizes. Awards must be claimed within the time specified in the notification or the prize will be forfeited.
7. No individual may submit more than one entry. Duplicate entries will be rejected. Use the form which appears below to enter (a duplicate form may be obtained from your local cable office, if necessary).
8. This contest is void where prohibited or restricted by law. No purchase is necessary to enter.

This is your entry blank...and maybe your ticket to a prize
